

2019 Quick Facts & Getting Started Guide

FOR SUMMER MISSIONARIES

This guide is designed to give you a quick overview of the process of applying for CYIA™. If you have specific questions about any of this, please contact the CEF® Chapter that you would be working with during the summer ministry season. One of their representatives will assist you.

Completing the Form

- Be sure to give yourself enough time to finish the form because you cannot save it and come back to it later. It will take you about 15 to 20 minutes to complete.
- Gather all your needed information before you start. You will be asked for contact information for three references (email address, phone number). One reference is your pastor, so provide his cell if possible.
- You will be asked to share a brief account of your personal salvation experience. It may be helpful to write this out ahead of time. This only needs to be a few sentences, covering the main points you want to express.
- You must watch the video, “Protecting Today’s Child” which gives you lots of important information about what CEF expects from all of their volunteers concerning child safety. The video is about 9 minutes long. [View it here](#).
- Again, if you have specific questions about CYIA, filling out the form, or what is expected of you, please contact the Chapter representative that you would be working with.
